Toowong Football Club is monitoring the rapidly developing impact that COVID-19 is having on the wider community, and is committed to ensuring the health and safety of our members as a primary focus.

We will provide relevant information on any developments and impacts to our club via our usual communication channels - particularly utilising our website and Facebook page for general information to all members.

Training is currently scheduled to resume from Monday 16 March (following the postponement of games this weekend), but may be subject to change.

We are implementing the following mandatory measures at this time:

- No handshaking or other high contact greetings
- No shared water bottles (player must provide their own)
- Anyone that shows any sign of illness must stay away from the Club

If you have any queries or specific concerns, email [assist@toowongfc.com.au](mailto:assist@toowongfc.com.au)

We will monitor the advice from our government bodies and update you all accordingly.
