Subject	Club statement on suspension of all football activity until 14 April 2020		

All Members

Football Brisbane has advised us that **all fixtures and training (for Miniroos, Juniors and Seniors) have been suspended until 14 April 2020**. Fixtures are scheduled to restart the weekend of 1 May. We have been instructed that no training is to occur until 14 April.

Our facilities at Dunmore Park will therefore be closed until 14 April, with all fixtures and training sessions cancelled for all teams.

This advice is in line with FFA's updated position on Grassroots Football, which has been suspended around the country for four weeks.

Toowong Football Club are keeping in regular contact with Football Brisbane in planning for the season recommencing mid-April. We will continue to update our members on any developments and impacts to our club via our usual communication channels - particularly utilising our [website](#) and [Facebook](#) page.

Our committee is working to develop specific plans related to our club and its members over the next few weeks, but at the moment, we will continue working towards a restart date of 14 April for training.

If you have any queries or specific concerns (including confirmed exposure to COVID-19 in the past two weeks), email assist@toowongfc.com.au.

We urge you all to stay abreast of advice being provided by the Australian Government regarding the spread of COVID-19 and how to protect yourself and others.

Will Vandenberg

President - Toowong Football Club
