# 2026 Member Handbook

## MINIROOS FOOTBALL
Miniroos aims to teach the basic rules and build the fundamental skills of football. There are no official competition points for these age groups, with the aim to provide an experience and environment that promotes ongoing participation in football and a lifelong love for the game. Teams U8 – U12 will have games both at home and away at other clubs. All U6/7 games are at home, with game times determined by Paul Freeburn (who is coordinator).
